*Christians in Pinner Working Together*

## Christmas Day Lunch needs help!

The Pinner Churches Christmas Day Lunch has become one of the most significant local events in Pinner and makes Christmas Day a special occasion for many people; last year there were 53 guests enjoying a full Christmas Dinner with entertainment.

*Christmas Day Lunch 2011*

There are a very large number of volunteers who work together to make this occasion so special.

### **BUT this year we need new Co-ordinators**

Jacqui and Michael Wakelam have done an excellent job for the last

two years and we are very grateful to them for all their work, but are unable to do it this year.

### **CAN YOU HELP?**

If this year's Lunch is to go ahead we need one or more volunteers to take on this role. You would not have to do the cooking—there is

already somebody to organise that. Jacqui and Michael would be willing to give help and explain what needs to be done.

If you feel you could offer to help this year please contact Michael Wakelam 020 8869 9867

## World's Biggest Coffee Morning Friday September 28th 10.15am—12 noon

The PAC Coffee Shop is taking part again this year in the 'World's Biggest Coffee Morning for Macmillan Cancer Relief'. We have done this for several

years now and, to date, we have raised **£3372.47** for Macmillan. Last year we raised £423 and 103 people 'signed-in' during the coffee

morning. We always hope to beat our last figure, so do come along and help us do that. We would also welcome cakes, jams and other produce for the sale table.

#### **St. Andrew's URC, Bridle Road**

St. Andrew's and Northwood Hills URC have made a decision to work together as one church. **From Easter Sunday 2013 all Sunday morning services will take place at one Church site. This will be St. Andrews, Eastcote.**

Both sites will remain very active, with worship events taking place at Northwood Hills in the week. This is a busy time for the 2 churches as they adjust to a new life together.

The restoration work on the church has begun and will continue until Christmas. The church can no longer be seen behind the scaffolding and sheeting. A very successful Children's Holiday Club was held in July.
