

PINNER ASSOCIATION OF CHURCHES

Christians in Pinner Working Together

Farewell to the United Reformed Church

St. Andrew's United Reformed Church in Bridle Road was one of the founding members of the Pinner Association of Churches.

On Easter Sunday 2013 they officially amalgamated with Northwood Hills United Reformed Church and became one church, under the new name of '**The United Reformed Church of Eastcote and Northwood Hills**'.

Both these churches were also part of Churches Together in Eastcote. At a special meeting held in November they reluctantly reached the decision that they could not remain members of both CTE and the PAC and made the decision to come out of membership of the PAC.

This makes sense geographically, but was a painful decision for many members of their church.

The PAC sends greetings to Revd Liz Shaw and this new church and send our thanks for all that they have done over the many years they have been part of the PAC. We wish them every blessing for their future journey together and would like them to know that any members of their churches would still be very welcome at any of the PAC events.
